City of Northlake Clerk's Office
55 E. North Ave.

A reminder - all dog owners in Northlake are required to purchase a City of Northlake Pet License every year. You may purchase your dog license at City Hall. Tags are numbered and may also help us identify you as the owner in case your dog is ever lost. However this tag should not take the place of a durable identification tag which shows the dogs name, your name, address and telephone number in case he is ever lost. Consider buying an identification tag with a reflective coating so he can be seen at night.

Another way to identify your dog is to have him micro-chipped at your veterinary office. This is done by injection - just like a normal shot. With a microchip, if your dog is ever lost - he can be identified by most veterinary offices, shelters and the Anti Cruelty Society. The cost to microchip your dog is between \$30 and \$40. A special tag is also given to dogs that are micro-chipped.

Note: A newly passed City Ordinance states as follows: No more than three (3) dogs age three (3) months or older shall be housed or kept at any residence in the City.
